

Signet Installation Fittings

Once the appropriate insertion sensor has been selected, the matched installation fitting easily adapts the sensor in to the pipe.

Fitting Styles

T - Tee: PVC, CPVC, have slip ends; PVDF has socket ends; Iron, Brass, Carbon Steel and Stainless Steel have threaded ends.

S - Saddle: "Cement On" for PVC, CPVC, "Double Strap-On" Iron.

W - Weldolet: Weld to existing pipe.

B - Brazolet: Braze to existing pipe.

Carbon Tee

PVC Saddle

Carbon Weldolet

Iron Saddle
